### **Pricing example:** Digipak 6pp 4/0

6-page (3 panel) digipak printed 4 colours on 1 side, 0 colours on the reverse.

Looking at the drawing template you will fathom that this reverse side shows only on the inside of the spine of the finished product.

Similarly, appreciate that a simple card wallet is printed on 1 side – that is, 4/0.

4/0 4 colours (CMYK) on front side or cover, 0 colours on reverse

4/1 CMYK/K

4/4 CMYK/CMYK

### **Optional Extras include:**

Heavier card; matt, gloss & gloss UV varnishes & laminations; wide format packages & booklets; printing onto the reverse/uncoated side of the card; extra trays & flaps; combining disc formats in one product.
